## Foreword

**I**T HAS been our purpose in the 1935 ACORN to preserve the memory of happy hours and to strengthen the ties of friendship formed here. Our days have been filled with many things but may we carry with us the high standards of Blackstone in scholarship, sportsmanship, womanliness, and fair-mindedness.

DR. J. C. REED  
*Trustee Blackstone College*  
1912-1935

LAWRENCE C. SULLIVAN  
*Trustee Blackstone College*  
1930-1935

ON January 7, 1935, at his home in Blackstone, Dr. J. C. Reed, in the 93rd year of his life, passed to his eternal reward. He was admitted to the ministry of the Methodist Episcopal Church, South, in 1868, and continued in its effective ranks until his superannuation in 1922. During his long ministry he served many charges in the Virginia Annual Conference, and served several terms in the presiding eldership. He was a friend of man, a lover of righteousness, a faithful and fearless prophet of the Word of God, a progressive leader, an able administrator, a tireless worker, and, in all, a Christian saint. In his passing we have all suffered a loss; in his influence he has contributed to us an imperishable gift.

Mr. Lawrence C. Sullivan was born May 3, 1892 and died January 25, 1935. His faith and loyalty in his work for all good things was an inspiration. He was one of the most beloved leaders in the Church and Sunday School. His happy manner and cordial friendship blessed all who came in touch with him. The memory of this man will ever be cherished by his friends and his influence will live through the years.

## *Alma Mater*

Oh, dear Blackstone, Alma Mater,  
We, thy daughters, come to thee,  
Seeking friends that make us nobler,  
Seeking truth that makes us free,  
Seeking courage, faith, and wisdom  
And the strength to triumph wrong,  
Hear, oh, hear us, loving Mother,  
As we lift to thee our song.

### *Chorus*

Guide, oh guide us, Mother dear,  
May we ever feel thee near,  
May thy daughters live and love  
And grow forever, Mother dear.  
Oh, oh, Blackstone, here's to thee,  
Here's to truth that makes us free,  
Here's to fame and praise and honor,  
And a student's love for thee.

Hail, oh Blackstone, Alma Mater,  
We with grateful hearts will sing,  
For we called and thou didst answer  
Did thy treasures to us bring,  
Did unfold to us the mysteries,  
Both of books and friendships true,  
Now thy daughters answer gladly,  
Here's our love, Blackstone, for you.

Oh, oh, Blackstone, Alma Mater,  
As we sing our parting lay,  
Life's work calls; we dare not linger,  
Tho' with thee we fain would stay.  
Parting comes, but we'll remember  
These our happy college days,  
And be true to thee, dear Mother,  
Guide us with thy love, we pray.

Dearest Lip,

Honey, I don't want to be "copy cat" by occupying an extra page but you are so sweet I feel I must.

I shall never forget you, Lip, if it hadn't been for you I don't think I could ever have stood Blackstone for a whole year. You were such a big help to me and you have been all year. It is impossible to care as much for anyone as I do you.

We have had so many grand times together and it's been so much fun knowing and being with you.

Lip, honey, I want to always be with you and enjoy our friendship.

I am having a terrible time trying to express my feelings for one as grand as you. You know my opinion, and remember it will always be the same.

Don't ever forget me Lip — there's to be so much fun in the future.

Love to a dear,

Shirley.

Lip, it's all over now except the final  
fling and oh. Certainly sorry. We had so  
much fun with you and the rest of the  
crowd that it certainly will be hard to  
say goodbye. I love you lots and will  
never forget you for more than one  
reason. you can certainly play a piano —  
Will you ever forget "why can't this life  
go on forever?" — I like you, Lip —  
Keep an eye on our friend and don't  
forget me, ever — Bailey

I hope you won't mind if I use a little  
more space — I wanted like to say so much  
that I don't know where to start — Dear — you're  
awful and I'm so glad you changed such a  
lot this year — I only wish I had known you  
last year. Remember the foursome and all those  
things? — And didn't we have fun in Richmond  
that time — I can't begin to enumerate the good times  
we had with you — but I love you mighty good.

Dearest Liz -

There is so much I could say to you Liz - I think you know exactly how much I have enjoyed your friendship, we have had such grand times together that I feel it will be impossible to ever forget you. First, being your Society sister has meant so much. You were the greatest help I had this year - you know what a Society sister is - and live up to it! There too - those swell visits to your home, your family is lovely and it was such a pleasure to go there! At my recital you were there to help in everything - it was so nice to have you as an usher.

Liz - our friendship will always live - we live so near one another. You must come to Suffolk this summer. If you don't show up I'll be after you.

With the best of love,  
Ballard
